

WALKING WITH THE LORD

Name _____

Date _____

The following questionnaire is designed to help you reflect on your walk with the Lord and to discover the things that are significant and helpful to you on this journey. It will provide a medium for sharing spiritual aspects of your life with those who are significant to you. It is also the understanding that these answers are not in concrete, but they become a part of your story. In order to tell your story—you need to KNOW YOUR STORY. May these questions cause you to pause, pray and respond to see what the Holy Spirit is doing in your Life Right Now. (There are no Right Answers to these statements) Realize that even to answer these questions is PROCESS. Begin, and be patient as God meets you where you are in your own journey.
