

# Eastern Regional Reception

## Hosted by Ambassadors of Reconciliation

Romans 12:18 calls us to live peaceably with all. Does this describe your everyday relationships – with your spouse, family, co-workers, fellow church members, other believers? Learn how to **live a lifestyle of reconciliation** in fulfilling this Scripture.

This reception provides opportunities for learning how the gospel applies to our everyday relationships, especially when we disagree or don't communicate well, through workshops and keynote speakers. The intimate environment allows you to network with like-minded people in the pursuit of **peaceful relationships**. A **condensed format** packs a lot in without bogging down your schedule. We invite you to join us and improve your own relationships.
